I recommend Nguyen Ngoc Khoi should not pass because:

1. He was absent too many days. When he did come to class he was either late or late absent.
  2. He rarely completed any homework. I think his classwork was 37% check the record. I continually warned him that if he did not do his work he would not pass the class.
  3. He failed the test
  4. He needs to improve as a student (become more mature, be punctual, complete homework, ect...)
- I recommend that Khoi retakes Intermediate in the fall.

I recommend Ho Lam Nguyen Vy should not pass because:

1. His English is very poor.
  2. He rarely completed any homework. I continually warned him that if he did not do his work he would not pass the class.
  3. He failed the test.
  4. He did not participate in class.
  5. He was continually 20+ minutes late for class at the beginning and after break time.
  6. He needs to improve as a student (become more mature, be punctual, complete homework, study, ect...)
- I recommend that Vy takes a placement test and is placed in a lower level.

I recommend Pham Nguyen Thuy Thuyen should not pass because:

1. She was continually absent. When she came to class she would regularly make up excuses to leave in the middle of class.
  2. She rarely completed homework on time. It was always late IF she completed it.
  3. She failed the test.
  4. She needs to improve as a student (become more mature, be punctual, complete homework, study, ect...)
- I recommend that Thuyen takes a placement test and is placed in a lower level.
